

Agreement of Cooperation

between the

University of Algarve

and

Dnipropetrovsk National University

In accordance with a mutual desire to promote international cooperation between Portugal and the Ukraine, the University of Algarve, hereinafter referred to as "UALG", and Dnipropetrovsk National University, hereinafter referred to as "DNU", join in the following agreement on scientific, educational, and cultural cooperation

The universities will endeavour to cooperate in joint research and educational activities in areas of mutual interest

The areas of cooperation may include any program offered at either university which is felt to promote the above-mentioned goals. However, any specific program shall be subject to mutual consent, availability of funds and the approval of both universities. Though initially between the Faculty of Science and Technology at UALG and the Faculty of Applied Mathematics at DNU, both Universities agree to the following general forms of cooperation:

- a) Exchange of faculty members and students for study and research
- b) Joint research activities and publications
- c) Exchange of invitations to scholars for lectures, talks, and sharing of experience
- d) Exchange of invitations to scholars to participate in conferences, colloquia, and symposia
- e) Exchange of information in fields of interest to both Universities

Both universities will encourage direct contact and cooperation between their faculty members, departments, schools, and research centers subject to the provisions of this agreement

This agreement shall be identified as the parent document for the program agreements that develop between UALG and DNU. Themes of joint activities and the conditions/arrangements for specific visits, exchanges, and other forms of cooperation will be negotiated for each specific case.

Both universities understand that all financial undertakings relating to activities will be separately negotiated and specifically defined for each programme or project

All inquiries regarding this agreement should be directed to the respective international offices:
