

AGREEMENT

Concerning co-operation between the Universidade Do Algarve, The Instituto Politecnico De Faro and Bournemouth Polytechnic

Recognising the close relationships that exist between the Universidade do Algarve, the Instituto Politecnico and Bournemouth Polytechnic;

and having regard to the need particularly to develop close collaboration within the context of the European Communities;

The Universidade do Algarve, the Instituto Politecnico de Faro and Bournemouth Polytechnic hereby agree:-

- 1 to the exchange of information, staff and students in fields of common interest and where effective collaboration can be achieved to the exchange of publications between the libraries of the Universidade, the Instituto and the Polytechnic;
- 2 to the promotion of appropriate joint research projects and joint courses of study, with particular emphasis on European Community funded projects;
- 3 to use their best endeavours to obtain; suitable residential accommodation, the waiving of payment of registration and tuition fees and to ensure that adequate provision for insurance against sickness, accident, etc is made for participants in exchange schemes;
- 4 to specify the details of exchanges in particular the number of participants and their length of stay, in an exchange programme to be drawn up by the co-operating institutions together on a regular basis

IN PARTICULAR:-

- 5 It is further intended to develop exchange of staff and students within the programmes leading to the BA (Hons) Tourism Studies and the BA Hospitality Management Studies at Bournemouth Polytechnic and the superior courses in Tourism and Hospitality at Faro Polytechnic.

The institutions will co-operate in developing relationships with employees in both countries with a view to the provision of periods of paid industrial placement in each country.

This agreement shall take effect from the day it is signed and shall remain in effect indefinitely unless terminated by either institution giving six months' notice of such termination.
